If YOUTSEY should die, would his trial proceed just the same?

THE HON. SOUTH TRIMBLE, Speaker of the House and candidate for Congress in the Lexington District, says he cannot be elected if the Legislature passes a fair election law. Consequently no fair election law will be passed, for TRIMBLE and his unscrupulous gang are in the majority.

Just about four years ago, perhaps to the day, Chairman JONES gave out a few claims to support the backbone of the Bryan column. Here are the claims, side by side with the results a few weeks later:

With a showing like that it would be supposed that a man would keep still, but, instead, the same man is claiming the same states, and, perhaps, by bigger figures. It is a magnificent exhibition of Democratic gall.

Mr. James Frank Mitchell, aged 27, and Miss Media Mason, aged 16, both of Washington, were married yesterday at the Clerk's office by Judge C. D. Newell.

The rise in the Monongahela was about large enough to fill all the Pittsburgh pools.

William Tannehill, father of Pitcher Jesse Tannehill, is in Pittsburgh. He is an old ship carpenter.

The second Engineers have been ordered on a strike at Pittsburgh unless the coalmine gives them \$100 per month.

The boatload of Pilots that passed this city yesterday will proceed on to Louisville and sell their boat. It isn't large enough.

The Coroner at Cincinnati held thirty inquests in cases of drowning during the past summer. Twelve of these were drowned while bathing, fourteen accidentally, while five were suicides. One person jumped from the L. and N. Bridge, while another made a similar leap to death from the C. and O. Bridge. The others were drowned in the canal, Big and Little Miami, Mill Creek and a pond.

The mill company at Levana has been notified that they have been awarded the contract to build and complete three large double-track transfer barges for the Chicago and Eastern Illinois Railway Company. The barges are to be 235 feet long, 36 feet wide and 5 feet 8 inches in depth. It will take from six to eight months to complete them. This will insure work at that place for some time to come.

It Happened in a Drug Store.
"One day last winter a lady came to my drugstore and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy, and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by J. J. Wood & Son, Druggists.

For ready-to-wear hats see the styles at Mrs. L. V. Davis's.

Corn-huskers' sprained wrists, barbed-wire cuts, burns, bruises, severe lacerations and external injuries of any kind are promptly and happily cured by applying Ballard's Snow Liniment. Price, 25 and 50 cents. J. J. Wood & Son.

Constable Mitchell left this morning with Ed Burrell, aged 10, of Washington, who will be placed in the Reform School at Lexington.

Don't be deceived or humbugged by people who claim the discovery of some hitherto unknown herb or root in swamps, or on some mountain or prairie, for the cure of kidney and bladder trouble. Any doctor or druggist will tell you that such claims are fraudulent. Foley's Kidney Cure simply contains remedies that are recognized by the most skillful physicians as the best for these complaints, so don't be credulous or foolish. J. J. Wood & Son and Armstrong & Co.

"TURN THE RASCALS OUT!"

"I want to ask the Democratic readers of your paper to give Goebel's and Beckham's majority of legal votes cast last November. If you cannot give the figures and tell where you get them, then how is it possible to know they had any? It won't answer the question to say the Legislature said they had a majority and give no figures, for the Democratic Returning Boards signified that Taylor and Marshall had a majority, and gave the figures and showed where it got them."

"Now, gentlemen, I have no more respect for office thieves than for horse thieves, and if these questions are not answered—though a Democrat all my life—I expect to vote this fall to turn the rascals out. Honest men, do your duty!"—G. L. Thompson, in Louisville Post.

TO BE DEPENDED ON.

Because it is the Experience of a Mayville Citizen and Can Readily be Investigated.

A stranger in a large city would place far more dependence on the directions given him by a local resident than the guidance of another stranger like himself. This is a natural consequence of experience; it's like a ship in a strange port—a trusty pilot familiar with the harbor is always called upon to bring her safely to her moorings. So it is with indorsement; we doubt the saying of people living at distant points because we can't investigate, but public expression of local citizens can be depended on, for 'tis an easy matter to prove it. Evidence like the following is beyond dispute.

Mrs. R. R. Housh of 384 Forest ave., says:—"Doan's Kidney Pills quickly relieved Mr. Housh of backache which had been a source of discomfort to him for some time. I procured the remedy at J. J. Wood & Son's drugstore, corner of West Second and Market streets, and its proven value is so great that it should be known throughout the world."

For sale by all dealers; price 50 cents a box. FOSTER-MILBURN CO., Buffalo, N. Y.,

DEAD IN A CAVERN.

Miss Minnie Bennett Believed to Have Committed Suicide, But Friends Talk of Foul Play.

Marion, Ky., Oct. 18.—Miss Minnie Bennett, aged 26, a member of one of the oldest and best known families of Livingston county, was found dead in an underground stream near her home. The stream flows through a large cavern, and a farmer went into the cave to get water. He discovered the body in the stream, its presence being revealed by the partly submerged clothing. A large rock was tied firmly in her apron and a veil was closely drawn around her head and face. She left home the night previous, leaving a note stating she would never return. The note and her absence were discovered by the family about the same time her body was found. The indications are that it was suicide, but friends think there is a possibility of foul play.

STRUCK BY A TRAIN.

Thrilling Accident Near Newport, Ky.—Two Men Were Badly Injured.

Newport, Ky., Oct. 18.—John Lawson, of Bonnie Leslie, Ky., and Frank Sharp, son of Sol Sharp, the pool room owner, were struck by a fast train just beyond Newport. The men were returning from the Queen City race track in a three-seated wagon and, failing to notice the approaching train, started to cross the tracks. Instantly the rear of the wagon was hit by the train, the men being hurled into the air. Sharp escaped with a few light bruises, but Lawson, less fortunate, sustained a fractured skull and was badly cut about the head and body. The wagon was a total wreck, the horse making way with what was left until stopped in Newport. Dr. Schofield, Lawson's brother-in-law, is making every effort to save his life.
